

Who are we

Construction Isle of Man (CIOM) is a public-private partnership that stands as the unified voice and representative body of the Isle of Man's construction sector.

The directors and executive board members of CIOM are all volunteers who come from diverse backgrounds within the industry, contributing a rich array of perspectives and skills.

What we do

We're committed to building a thriving construction industry in the Isle of Man, where excellence and professionalism are the cornerstones of every construction project.

Through collaboration, innovation and a shared dedication to quality, we aim to enhance the way the construction industry operates.

A pivotal aspect of our work involves our Accreditation and Certification Schemes. These schemes ensure that professionals working in the construction industry meet the highest standards of competence, integrity, and professionalism.

Our mission

Our core mission is to develop a robust, safe and sustainable construction sector in the Isle of Man. We're the driving force for positive change in the industry. By fostering partnerships among government, consultants, contractors, developers, tradespeople, and the general public, we're building a strong foundation for growth and progress.

Our main aims are to:

ENSURE THE ISLE OF MAN CONSTRUCTION INDUSTRY SUSTAINS AND THRIVES.

PROMOTE AND DEVELOP A POSITIVE AND PROFESSIONAL IMAGE.

CREATE A COMPREHENSIVE INDUSTRY STANDARD.

IMPROVE HEALTH AND SAFETY.

ACTIVELY PROMOTE CAREERS IN CONSTRUCTION.

IMPROVE EDUCATION AND TRAINING OPPORTUNITIES ON ISLAND.

PROVIDE A UNIFIED VOICE FOR THE INDUSTRY WITHIN GOVERNMENT.

Certification Scheme

The CIOM Certification Scheme is a register of individuals who have met specific criteria for their trade.

It focuses on technical qualifications and evidence of completing apprenticeships. The scheme provides a formal recognition of an individual's competence and skill in a particular trade, ensuring they meet industry standards.

Using an individual listed on the Certification Scheme Register provides you with a level of comfort that they are suitably qualified for the job.

The register is on our website and includes the full name, address and unique registration number of each person, and the trade or trades for which the person is registered.

The Certification Scheme Register can be accessed by scanning the QR code below:

Accreditation Scheme

The CIOM Accreditation Scheme goes beyond individual competence to encompass the entire business. It recognises companies that consistently meet high standards in various aspects of their operations, from health and safety practices to work quality.

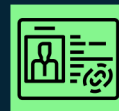

Before being granted accredited status, companies undergo thorough checks by us. These checks include:

INSURANCE POLICIES ARE IN PLACE.

RELEVANT QUALIFICATIONS ARE HELD FOR SERVICES PROVIDED.

PROPER HEALTH & SAFETY AND ENVIRONMENTAL PRACTICES ADOPTED.
